FULFILLING
OUR MISSION
2019

CARING

We are proud to share some highlights of the work done by Longmont Humane Society (LHS) in our community during 2019 to further our mission of caring, serving and educating to improve the lives of companion animals.

LHS is a 501(c)3 private, non-profit organization dedicated to the welfare of animals. We provide temporary shelter to thousands of animals every year: dogs, cats, small mammals who are lost, abandoned, or surrendered. Loving attention, nutritious food, meticulous health care and daily exercise are standard parts of the high-quality care provided to each animal.

We are a socially conscious shelter with a strong commitment to best practices in animal welfare. We serve the City of Longmont, the towns of Frederick, Firestone, Lyons, Dacono, and Mead as well as greater Boulder County.

LHS believes that it is our responsibility to safeguard the physical and behavioral well-being of the animals in our care as well as in our community. This commitment to best practices in animal welfare is carried throughout all of our programs and services.
